

Dear Returning Summer Camp Applicant:

Thank you for reapplying for Marbridge Summer Camp. We are looking forward to another exciting summer with your camper. In an effort to better serve the needs of your camper and ensure that camp is a fun and enjoyable experience, here are a few reminders for the 2018 camp program:

- The application must be completed and returned by May 8th.
- After May 8th, we will notify you to confirm your scheduled session.
- Although we will try to accommodate one of your top three session preferences, please note that
 campers will be placed based on similar interests and abilities so that we can ensure a safe and
 fun session for all.
- We will accept a medical release form signed by your camper's primary doctor approving them for camp activities in lieu of a new physical.

We ask that you take a moment to look over the information requested before filling out the enclosed application. As the application is very thorough, please know that every blank must be filled in, and if a question does not apply to your camper, then please write NA in the space. Any incomplete applications will be returned and could delay the application process. Our camp is not equipped to care for someone who has medical needs requiring medically trained personnel, or unable to walk around campus, climb stairs and navigate uneven surfaces.

Anthony Diaz, is our camp coordinator, and we are excited to have him overseeing camp again this year.

Please feel free to contact **me** (**Barbara Bush at ext. 1204**) **or our Admissions Coordinator, Rosie Dunlap** (**ext. 1203**) with any camp-related questions at 512.282.1144.

We are looking forward to another great summer at Marbridge!

Sincerely,

Barbara Bush Director of Admissions The Marbridge Foundation

Policy Regarding Third Party Funding for Summer Camp at Marbridge

• If you are planning to pursue reimbursement from a third party agency, please sign and date below to indicate your understanding of our policy.

Some of our camp families may qualify for respite services and have been successful in getting the full or partial reimbursement for camp costs by a third party agency. At Marbridge summer camp, **the family is responsible for paying the full tuition with the application.** We will not reserve a camp session without receiving full payment at the time of the application. Upon request, we will gladly provide the family with a receipt of service that they can submit to their agency for the camper/client to be reimbursed.
