The CoAct Project

Hosted by The Marbridge Foundation

The Marbridge Foundation would like to invite you and your business to our campus to serve as a sponsor of our 10th Annual CoAct Project Leadership Symposium. The CoAct Project is a national executive symposium bringing industry leaders back together to discuss best care practices, identify challenges, and build relationships to better care for individuals with intellectual disabilities.

Save the date now for the symposium taking place April 17-19, 2024, to include a robust schedule of exhibitors, networking meals, speakers, interactive presentations, and more. Together we'll discuss challenges, leadership strategies, and increasing awareness so that we may better serve these individuals and their families.

2024 Keynote Speaker: Doug Flutie

2024 Speaker: Gordon Hartman

We are building a productive and engaging agenda highlighted by our keynote speaker Doug Flutie. Doug, an NFL Alumni and President/Co-founder of the Doug Flutie Jr. Foundation for Autism, made a connection with Marbridge through the NFL Alumni Association and his foundation. We are building a panel of highly engaging speakers in the field of intellectual and developmental disabilities (IDD) and advocates from the great community.

Your involvement with the CoAct Project is an opportunity for your company to receive nationwide exposure. You will join other individuals and organizations in our sector to increase collaboration, learn, and grow in the field of care for intellectual and developmental disabilities. There is a range of sponsorship opportunities available that include varying levels of recognition and participation.

I look forward to speaking with you about this opportunity. You can anticipate a follow-up call from me in the next month.

Please don't hesitate to reach out if you have any additional questions.

Kindly,

Dorey Petty

Development Coordinator
