

SUPPORT OUR Marbridge Fun Fest!

Marbridge is a nonprofit residential community for adults with intellectual and developmental disabilities. We provide resources, services, and a home for over 250 residents, with diagnoses including Down syndrome, Autism Spectrum Disorder, generalized intellectual disability, and more. Three unique communities form one vibrant campus that provides each adult an opportunity to learn, experience, and achieve a whole new life.

Join us October 17, 2026 from 9:00AM - 1:00PM for a Marbridge Fun Fest! Located on our 200-acre campus, this event will have food trucks, live music, a petting zoo, face-painting, caricatures, bounce houses, and so much more. It will be free and open to the public, ensuring broad recognition while supporting the Marbridge mission.

Your partnership highlights your company's values, expands community awareness of your brand, and supports the Marbridge mission of changing lives for adults with cognitive disabilities.
