

The Marbridge Miracle Society is a dedicated group of friends and supporters with a heart for our mission to provide transitional and lifetime care for adults with intellectual and developmental disabilities. Miracle Society members help ensure sustainability for the Marbridge community.

Levels of Giving

The cost to provide comprehensive care for each resident to experience the best quality of life in the least restrictive environment at Marbridge exceeds tuition. Miracle Society members support Marbridge financially starting at \$1,000 per year for five years, helping to bridge the gap, and allowing us to keep tuition costs as low as possible.
