

Dear Marbridge Summer Camp Applicant:

In an effort to better serve the needs of your camper and ensure that camp is a fun and enjoyable experience, please note the following:

- The application should be completed and returned with <u>all supporting documentation</u> as soon as possible. Any incomplete applications could be returned and will delay the registration process. We only have 60 openings and camp fills up quickly.
- After May 1st, we will notify you to confirm your scheduled session.
- Although we will try to accommodate one of your top three session preferences, please note that applicants will be grouped and placed based on similar interests, abilities, and level of functioning so that we can ensure a safe and fun session for all.
- If a specific question does not pertain to the applicant, please write N/A in the space, otherwise please make every effort to complete the application in full with the most up-to-date information

Please closely review the information for Marbridge Summer Camp before completing the application and sign the acknowledgement.

Eligibility and General Camp Information:

- Camp is for ages 16 and older who are interested in future admission to Marbridge or wish to begin a transition to a more independent life
- Campers have a primary diagnosis of an intellectual difference, developmental disability, or cognitive challenge (Down Syndrome, Williams Syndrome, Autism, etc.)
- Campers must be able to independently walk longer distances and navigate uneven surfaces without assistance.
- Campers must be free of medical conditions that require the assistance of medically trained personnel. Our camp is staffed with direct care staff who are not medical professionals.
- Campers must be able to participate in a regular dietary plan without exceptional modifications. Marbridge does offer gluten-free, heart-healthy, and diabetic-friendly plans.
- We offer 6 separate weeks of camp each summer
- Each session consists of 10 campers.
- Campers must be appropriate for a 1:10 ratio (Campers requiring a 1:1 for any reason may not be appropriate for camp).
- Campers <u>must be</u> independent with personal care (showering, toileting, dressing, feeding, menstrual care, etc.), or at maximum, need verbal prompts. Marbridge camp staff will not be showering or providing incontinence care or wiping to campers.
- Campers must be free of aggressive or threatening physical or verbal behaviors (hitting, kicking, pinching, scratching, yelling, cursing).

1

Campers must be free of problematic sexual behaviors.

Marbridge Summer Camp Application -All campers

- Campers must be able to participate in camp activities independently without 1:1 assistance.
- Our 1500 square foot camp house, where the campers sleep, is not ADA accessible. The sleeping spaces, a bedroom for males and a bedroom for females, are shared sleeping spaces, meaning no camper has a private sleeping space.
- We usually have a combination of male and females. There have been years where we have had a session containing only one gender.
- The camp house is located on the outskirts of Marbridge's main campus. Campers will sleep in this location and use it for leisure time, but the rest of the time, they are participating in on-campus activities like sports, art, equine, cooking, or fishing. They eat their meals in the residence dining halls on campus. We also do some evening off-campus recreation in the form of putt-putt golf, bowling, snow cone outings, swimming, or similar activities.
- Families send all medications pre-packed and labeled for each day of camp either in individual daily packs or in a weekly pill organizer, and our staff helps pass out meds at designated times.
- Campers arrive on Sunday afternoon and leave on Friday at noon.
- Marbridge Summer Camp is not an ACA Accredited Camp.

• If you are planning to pursue reimbursement from a third-party agency, please sign and date below to indicate your understanding of our policy.

Some of our camp families may qualify for respite services and have been successful in getting the full or partial reimbursement for camp costs by a third-party agency. At Marbridge summer camp, the family is responsible for paying for the full tuition at the time of the application. We will not reserve a camp session without receiving full payment at the time the application is submitted.
