

Join us to STOCK the LODGES

As residents watch the construction unfold and see everything take shape, the main question now is . . .

Where's the stuff?

Scheduled for move-in this December, The Lodges add 20,000 square feet of additional living, office, and recreation space to The Ranch. This new space also adds *TWELVE* additional beds, adding more rooms to furnish.

FULFILL the WISH-LIST

You can continue your support of Marbridge by helping to Stock-the-Lodges. Construction funding is already raised, but we need your help to complete this project with furniture, window coverings, landscaping, and a security system. Want to make an even greater impact? Connect us with businesses, individuals, and foundations who can donate or help alleviate some of the costs (*see reverse for cost breakdown*).

Donations can be made online at
